Let us light YOUR path to success!

At Eldercare Insurance Services, Inc., we are dedicated to keeping our word— that's why when we said we would develop new technologies and tools to help keep YOU ahead of the game, we did— and we're just getting started! Our agent login system is now better than ever; not only can you view your issued and paid production with ALL of your contracted companies, we are adding interactive graphs to enhance your experience. You can also view your incentive points for our UNLIMITED shopping mall where you can redeem your points for designer items, electronics, cruises, and much more! Included in your login is your company appointments, writing numbers, and downline agents for Recruiting GA's. We have also introduced the T-65 map that shows you where prospects are located in your area, available right at your fingertips with our one-of-a-kind mobile app. Our website is fully updated and mobile-friendly, complete with a webinar training calendar, news blog with company and industry updates, and even sales tips to help you launch your sales to the top! You can also stay connected by receiving our monthly e-newsletter, Eldercare Focus, and following us on Facebook, LinkedIn, Google+, and Twitter. We pay out tons of cash, prizes, and vacation packages every year and offer the BEST commissions available to our agents. We understand that our investment in your success makes all the difference in your career— and we are here to do exactly that! We are constantly striving to keep you ahead of the pack with continuous improvement of ALL of your provided agent resources.

We are the one-stop-shop for all of your needs!
