

Want to give your customers a
free quote without the hassle?

We have an App
for that!

Eldercare Insurance Services, Inc. is proud to announce the launch of our quote engine app! This is available to all agents licensed through Eldercare! We understand that with all the day to day hustle that our agents need resources at their fingertips.... *Now you will have just that!* For complete instructions on how to access your app [See attached instructions.](#) Or scan this bar code

Be sure to call us with any questions

800-777-9322

www.eldercarebroker.com

Get the EIS mobile app Today!

1. Be sure that you are registered on www.eldercarebroker.com

If you need help with this, please contact our agent service team @ 800-777-9322 or send a request with your name and email to service@eldercarebroker.com. You will use your same login information to login to eismobile.com

2. Go to the internet option on your mobile device. Type in www.eismobile.com. This will take you to our app.
3. You will be able to bookmark this or have the option to add to your home screen.
4. You can also scan this barcode and it will load the app on your mobile device.

5. You should be set to start Quoting! Please remember to use this quote engine as a reference.

For any questions or help, please give us a call at 800-777-9322
