Gateway Health Plan-Code of Conduct
Gateway Health Plan®
External Sales Agent Code of Conduct

As a Gateway Health Plan® external sales agent, I agree to abide by all of the following terms while representing Gateway Health Plan® Medicare products to Medicare beneficiaries and/or their representatives, family members, friends, and in the communities in which I solicit and sale Medicare products.

I will:

1. Treat each individual with whom I work representing Gateway Health Plan® Medicare products with respect, courtesy, understanding, professionalism, and empathy.
2. Accurately represent my professional designations, qualifications, professional licenses, and other such endorsements or criteria. I will not provide advice or guidance beyond my professional capabilities or qualifications nor, under any circumstance, represent or infer that I work for or am endorsed by Medicare, the Centers for Medicare and Medicaid Services (CMS) or any other governmental agency.
3. Represent Gateway Health Plan® Medicare products with complete accuracy, thoroughness, and honesty. Under no circumstance will I exaggerate, intentionally misinform, mislead or knowingly misrepresent the benefits, premiums, member cost-sharing, administrative rules, or any other feature about any Gateway Health Plan® Medicare product. I will not make any promises on behalf of Medicare or Gateway Health Plan®.
4. Strive to assure that each Medicare beneficiary comprehends the fundamentals of the Gateway Health Plan® Medicare products in which they are enrolling, that each Medicare beneficiary understands their choice of enrolling in a Gateway Health Plan® Medicare product and terminating any other Medicare coverage they may have, and that all required materials have been provided to the Medicare beneficiary before enrollment occurs.
5. Refrain from using technical or industry jargon to describe Gateway Health Plan® Medicare product(s) unless a law or regulation requires such specific terminology.
6. Abide by all applicable federal and state laws, regulations, Gateway Health Plan® FMO/External Sales Agent Guide, and Gateway Health Plan® policies and procedures governing the solicitation and sale of Medicare products and the associated confidentiality and security provisions of the Health Insurance Portability and Accountability Act ("HIPAA") and the American Recovery and Reinvestment Act ("ARRA").
7. Use my professional skills and ethical judgment to always provide proper guidance and act in the best interest of each Medicare beneficiary with whom I work. This means that I will place my client's and prospective client's needs ahead of my own considerations in all situations.
8. Use only advertising, marketing, sales presentation, enrollment and other materials which have been provided to me by Gateway Health Plan® or that have been previously approved in writing by Gateway Health Plan® for my usage. I will also obtain prior written approval from Gateway Health Plan® for any advertising medium, except for generic marketing material as defined by CMS that requires review and approval, I would like to use to solicit prospective Gateway Health Plan® members.
9. Abide by professional courtesy. Under no circumstance will I involve any Medicare beneficiary in any type of dispute or debate relative to compensation or client relationship.
10. Continue to learn about the Medicare Program, Gateway Health Plan® Medicare products, and other government programs that may impact my clients and potential clients.
11. Provide timely service to my clients with professionalism, competence, and sincerity.
12. Seek to assure that the Medicare beneficiary understands that the person discussing Medicare plan options with them is either employed, contracted or authorized through a contracted entity with Gateway Health Plan® and may be compensated based on the beneficiary's enrollment in a Gateway Health Plan® Medicare product
13. Report to Gateway Health Plan®'s Medicare Compliance Officer or the Gateway Health Plan® hotline (800-685-5235) any potential or actual misconduct, breach situation, fraud/waste/abuse, or non-compliance by any agent, potential or current member, or Gateway staff without fear of retaliation.
14. Participate in any specialized training required by Gateway Health Plan®.
15. Agree to fully and truthfully cooperate in any compliance or regulatory investigation or audit.
16. Notify Gateway Health Plan®'s Medicare Compliance Officer immediately if I am excluded from participation in Federal health care programs.

As an external sales agent under contract with Gateway Health Plan®, I acknowledge that I have read this Code of Conduct and understand the requirements and prohibitions set forth above. I agree to comply with these requirements and prohibitions, all other applicable Medicare statutes, regulations and guidelines, as well as Gateway Health Plan®'s guidelines and requirements as set forth in Gateway Health Plan® FMO/External Sales Agent Guide, as same may be amended from time to time.
