**Subject: Rate Change on Medicare Supplement Plans in Texas**

We recently filed and received approval from the state insurance department for rate adjustments for our Texas Medicare Supplement plans. Due to changes in Medicare and increasing claims costs, Old Surety Life Insurance Company will be implementing new rates for current policyholders in Texas, as well as new business issued with an effective date of April 01, 2017 and beyond. We will begin notifying policyholders of their new rates as required by the state very soon and wanted you to have advance notice of this action.

We value your commitment to place your clients with Old Surety and we will continue to provide the best service possible to our policyholders and our agents. We pride ourselves on our policyholder services as we continue to provide all of our own services here at the home office, not outsourcing to third party companies. We appreciate your business and look forward to continuing to serve you as our agent.

See the attached form for new rates for the Medicare Supplement Plans currently being offered in Texas.

The new outlines of coverage are being prepared both printed and for downloading from our Agent Portal.

Please contact Denise Cavin for new printed supplies if you need them at 800-272-5466 or [dcavin@oldsurety.com](mailto:dcavin@oldsurety.com).

Thank you for your continued service.

Sincerely,

Dale L. Phillips  
President
