

A Berkshire Hathaway Company

As a CSI Medicare Supplement Insurance policyholder, you now have the opportunity to take advantage of a value added program through **Hear In America**. This program provides high quality hearing aids at a discount. **Hear In America** has been providing hearing care services since 1995. Give them a call today at 1-800-286-6149 to be referred to a participating hearing center in your area.

## **YOUR BENEFITS INCLUDE:**

- Free annual hearing screening for you and your family.
- Referrals to qualified local hearing centers.
- Full line of high-quality hearing aids available from top manufacturers, with prices up to 65% off of manufacturer's suggested prices.
- Three year repair warranty with new purchases at no additional charge. This includes protection for repair as well as loss and damage of the hearing aids.
- Hearing aid check and cleaning offered for three years at no additional charge.
- Three years of batteries included with every hearing aid purchase.

## **HERE'S HOW IT WORKS**

1. Call 1-800-286-6149 to register.
2. Let them know you are with CSI.
3. Hear In America will refer you to a participating provider in your area.
4. Make an appointment for your free hearing screening.

The Hear in America program is a discount program offered at no charge to you. It is not insurance and is separate from your Medicare Supplement Insurance benefits. You are responsible for any charges incurred when using the benefits of this discount program.
