

Dear Valued Agent,

It's that time of the year again when we gear-up and get ready to help Medicare Beneficiaries make great healthcare choices.

One of the first steps in getting ready to represent Cigna-HealthSpring with integrity, knowledge and professionalism is completing our 2016 certification requirements.

We are happy to let you know that our Certification will launch on July 15 and we will be sending you additional communications over the next couple of weeks including registration and other instructions.

In the meantime, please see some important highlights below:

- Complete AHIP and all certification requirements by September 15 and enroll 5 customers during AEP – \$125 reimbursement
- Complete Pinpoint Medicare Training and all certification requirements by September 15 - \$89.95 reimbursement
