

ONLY A FEW SEATS LEFT FOR THE ACADEMY!! CALL NOW TO GET REGISTERED!

As you might all know, Eldercare is very big in the medicare supplement market. We have piloted a program with one of our career med sup agents (12 year producer - never sold an annuity) to use his current medicare supplement policyholders as prospects. Under this model, he is currently writing around \$300k in annuity premium EVERY month. We will be learning exciting new information that will make you superior to your competition and ultimately increase your income in a dramatic way.
