- Determine Plan.
- Determine if non-tobacco or tobacco.
- Find Age/Gender - Verify that the age and date of birth are the exact age as of the application date, this will be the applicant's base monthly premium.
- Use the Calculate Your Premium form to adjust the monthly premium for different modes and to add the enrollment fee.

There will be a one-time Medicare Supplement enrollment fee of $25.00 that must be collected with each applicant's initial payment. For a husband and wife written on the same application, $50.00 in fees must be collected. This will not affect the renewal premiums.

IMPORTANT STATEMENTS TO BE READ BY APPLICANT

- You do not need more than one Medicare Supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need more than one type of coverage in addition to your Medicare benefits.
- You may be eligible for benefits under Medicaid and may not need a Medicare Supplement policy.
- If, after purchasing the policy, you become eligible for Medicaid, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility. If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare Supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare Supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare Supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

MEDICARE SUPPLEMENT REPLACEMENT

Notice to Applicant regarding replacement of Medicare Supplement insurance or Medicare Advantage
SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

According to your application, you intend to terminate existing Medicare Supplement insurance or Medicare Advantage and replace it with a policy to be issued by Renaissance Life & Health Insurance Company of America. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance available to you under the new policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration and acceptance by the replacing insurer, you find that the purchase of this Medicare Supplement coverage is a wise decision, you should terminate your present Medicare Supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

STATEMENT TO APPLICANT BY ISSUER, AGENT
I HAVE REVIEWED YOUR CURRENT MEDICAL OR HEALTH INSURANCE COVERAGE.
To the best of my knowledge, this Medicare Supplement policy will not duplicate your existing Medicare Supplement or, if applicable Medicare Advantage coverage because you intend to terminate your existing Medicare Supplement coverage or leave your Medicare Advantage plan. The replacement policy is being purchased for the following reasons:

- ☐ Additional benefits.
- ☐ Same benefits but lower premiums.
- ☐ Fewer benefits and lower premiums.
- ☐ My plan has outpatient prescription drug coverage and I am enrolling in Part D.
- ☐ Disenrollment from a Medicare Advantage plan. Please explain reason for disenrollment.
- ☐ Other, (please specify) _____

1. Health conditions which you may presently have (pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.

2. State laws provide that your replacement policy or certificate may not contain new pre-existing conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods or probationary periods in the new policy (or coverage) benefits to the extent such time was spent (depleted) under the policy.

3. If, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for any company to deny any future claims and to refund your premium as though your policy had never been inforce. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.

Medicare Supplement Plan

Before you begin: If you are not in your Open Enrollment or Guarantee Issue period, please go to page 2 to determine your eligibility for coverage.

Steps	Example Rate displayed is used for calculation purposes only.	Applicant's Premium	Applicant B's Premium
Premium Write in your Medicare Supplement plan's monthly premium from the Outline of Coverage table. Write in your Dental/Vision plan's monthly premium from the Rate Sheet. Add the Medicare Supplement monthly payment and the Dental/Vision payment to determine total premium.	$128.52 $59.32 $128.52 + $59.32 = $187.84		
Payment Options To determine other payment schedules, multiply your monthly premium by: 3 to pay four times a year (quarterly) 6 to pay twice a year (semi-annually) 12 to pay once a year (annually)	$187.84 Monthly Payment $563.52 Quarterly Payment $1,127.04 Semi-Annual Payment $2,254.08 Annual Payment		
Enrollment/Policy Fee There is a one-time application fee of $25.* This will be collected with your initial payment and will NOT affect your renewal premium.	 $187.84 + $25.00 = $212.84 Example shows initial payment (monthly schedule).		

If applying for Dental or Dental/Vision, write in the monthly premium based on the Applicant's state of residence. The monthly premium can be found on the Dental/Vision rate sheet.

If more than one person is applying for Dental/Vision, multiply the monthly premium x the number of people applying. If the Applicant has more than 3 family members applying, the maximum premium amount is the monthly premium X 3.
