Discover the Mayan Culture with our Excellence Exclusive Chichen Itza Tour and enjoy the most popular all day tour of the region in small groups, limited to Excellence Group guests. We will start with a guided tour to Chichen Itza, the magnificent archeological capital of the Mayan culture, recently announced as one of the 7 new Wonders of the World.

Then we will swim in Cenote Ik Kil, an impressive sinkhole with a water level about 26 meters (85 ft) below ground level. A carved stairway will lead to a swimming platform. The cenote is about 60 meters (200 ft) in diameter and about 40 meters (130 ft) deep.

Tulum Mayan city

Tulum holds the honor of being the most picturesque archaeological site in the Riviera Maya and the only one to have been built overlooking the ocean. A visit here offers spectacular views of the Riviera Maya beaches, Caribbean Sea and surrounding coastal region.

The name Tulum (pronounced "too-LOOM") means wall, referring to the fact that Tulum was a walled city, protected on one side by steep cliffs facing the sea and on the other by a wall of about 12 feet in height.

This premium service includes a private driver and tour guide in a deluxe vehicle (Ford Explorer or Chevrolet Suburban) with bottled water, cool drinks, snacks and refreshing towels
