If you still cannot enter the meeting, [click here](#). On the left navigation bar, click “Support.”

**First Time Users:** To save time before the meeting, [check your system](#) to make sure it is ready to use an appropriate player required for rich media files. WebEx will automatically set up [Meeting Manager](#) for Windows the first time you join a meeting. However, you can set it up prior to the meeting and save time.

**Notice:** WebEx service includes a feature that allows audio and any documents and other materials exchanged or viewed during the session to be recorded. By joining this session, you automatically consent to such recordings. If you do not consent to the recording, discuss your concerns with the meeting host prior to the start of the recording, or do not join the session. Any such recordings may be subject to discovery in the event of litigation.
